

Welcome to the second edition of the ADS Scholarship Officers Newsletter. Thank you to all of you that sent us your feedback regarding the first edition. We have taken all suggestions and comments on board.

In this edition we are highlighting the vast range of Business programs offered at Swinburne. The broad range available covers everything from Certificates in Management to MBA's and DBA's.

At Swinburne we currently have a number of ADS students undertaking a variety of Business programs. Read on for the views of some of these students.

As always the Swinburne AusAID team are keen to discuss any issues you might have or answer any questions related to study at the University.

As a reminder please forward any queries to:
